ASPECT PRINTING

Belly-band artwork guide

240 x 55mm flat trim

Outside: page 1 of 1

One design per band.

Set up the file

Extend backgrounds 3mm past trim.

Keep text 5mm inside the cut.

Use CMYK and embed fonts.

Use sharp images at 300dpi.

Check before exporting

Remove ALL guides before export.

Check the fit around your own pack.

No fixed fold or overlap is shown.

We check the artwork before printing.
