ASPECT PRINTING

A4 landscape board artwork guide

Finished size: 297 x 210 mm

Extend backgrounds 3 mm beyond the solid trim line.

Keep important text inside the dashed 5 mm guide.

The 5 mm inset is our recommended text margin.

Remove every guide line and all this text before export.

Do not submit this guide as your finished artwork.

Use for rectangular boards without mounting holes.

Ask us for help with shaped boards or hole positions.

Supply one PDF page for your single-sided board.
